Boston has one man who

It is logically inferred that a man

is a close connection between a broken spirit and a brandy-smash. Indianapolis' musical festival will be so tramense an affair that it wil. necessary to use the fork of two

railroads to pitch the tunes by. They have a company of 360 gor-pellers in Louisville colled 'Daniel's Eand.' But they are careful to keep out of the looks den when they ar-

out of the hon's den when they attend the circus.

The Hon. June D. Bright, who was expelled from the United States Senate for disloyalty in Pebruary 1852, is said to be hopelessly ill at his boms in Kantaohy.

The great error of matteur fishermen is to suppose that to eatch fish makes the enjoyment. This is bosh. One does not go get for has, but for wet pastaloons and oxygen.

'I always believed teligion to be a good thing,' said an honest old Wisconsin deacon, 'but I never knew how consoling it could be till I was

hased by that bear last Tuesday. Elmira, opened a dancing party with prayer the other evening, after which be said, 'Now, boys, form on

who have made their poetry produc-tive of lands and money. He owner

At a Lord Mayor's dinner, Ton Heod, about the middle of the feast, looked down the long bill of fare, and leaning back languidly in his chair, said to a walter, 'Bring me the rest in money.'

Here, boy, bold my borse, and a gentleman who had driven a very lean animal up to the door of a vil-lage bank. 'Hold him!' exclaimed the boy. 'Hold him! Jes lean him up agin that young tree there, the

A Havans letter states that high-way robberies and murders are ac-frequent lately in the atreets of that city that the acting captain gen-eral, who was himself robbed in the street of his watch and jewelry worth \$1,400, has ordered all cal-prite hereafter to be tried by the military authorises.

mith St. Louis, since the base ba match, by twitting for with havin may be, and a Western editor, in may be, and a horse thief, as our reptile continuously calls us, but we haven't got a one-syed Aunt Ma

Your clock seems to be a great deal too slow, said a tract distribu-tor to an old farmer, in Michigan, at whose bouse he had called on the second day of the week. 'Well, yes atrabger,' replied the farmer, 'every since my gal began to be obserted by the 'quire's son, that blamed clock has always been about two hours slow every Mouday morning.' hours slow every Monday morning." John Hepper, a German, now a residest of Reading, Pa., has lived to be called the father of more children than probably any other man in the country. His first wife, in eight years, bore him seventeen children, his accord wife filters.

children; his second wife, filten children in nine years, and his third wife nine children—in all forty-one. He can go up head.

The Liberty Tribune says: Mr. N. J. Powell has a gold medal bearing date 1580. On one side it has a cross and on the other a French incorpation and a number of stars, and is of oval share. Mr. Powell

incorrption and a number of stars, and is of oval shape. Mr. Powell dug it up at his spring (about a fost under the earth), and the supposi-tion is that it was lost hundreds of under the earth), and the supposition is that it was lost hundreds of
years ago, by French messionaries
encamped around the spring.

One night two men got into a
wordy controversy, which waxed
quite hot, and finally one of them
enalledged the other to a square

quite hot, and flually one of them enallenged the other to a squarer fight. The challenged party flibustered around and endeavored to avoid committing himself on this issue, but flually, pressed by the other, he positively refused to fight. Not that I'm a coward, said he, for that I'm arraid of yoe, bet I was allers an unlucky man in a fight. Sedalia Democrat: He had, in his children gies, sat down some place, and interviewed the business end of a wasp—that little bey on Onio at wasp—that little bey on Onio a wasp—that little bey on Onio and the volume of sound that eminated from, apparently, every pore of bis dimin. He is thoroughly disgusted with the companion of the compan apparently, every pore of his dimin-nute body was marvellous. He reached the high C with case and sailed clear over on the other side, tist courch is with all a pastor. claiming 'High C what's the mat-ter? applied restoratives and hushed the boy's melody. the boy's melody. His doret fabula.

Remember y is relative end.

We had a little fun in town hat evening, at the expense of three gentlewes who went out has night on a fishing excersion. They expected to be absent a few days, but dome in to day dressed in a paper collar, a pair of spurs and a blanket, and on being asked why they were crowding the season, explained that has night about 12 o'clock, while they were quetly sleeping, they were awakened and told to peel off them atore clothes. They did wake up, and finding them-eives confronted by two emaped convicts with double barrelled shot guns printing threatingly at their beads, they concluded that it was too was me to wear clothes and did pull off in double quick times. The convents changed their striped su to for these at d went on their way rejuicing.—[Galvesten News.]

ATROCIOUS ABORIGINES.

A special telegram in the Chicago Times from Sioux City, says : The troubles at the Winn Indian agency, alluded to in the dis-patch to the Times of the 14th inst., Under instructions from Superior endent Barcley White, of Omahe

who has general supervision of the seven agencies controlled by the So-ciety of Friends, a reformatory school was established at the Win-nebago agency in October last. The aim has been to gather into the school the young of both sexes. school the young of both sexes, ranging in age from 10 to 18 years, and by isolating them from the heathenish homes of their parents, heathenish homes of their parents, make an earnest effort to civilize them, not only by giving them the rudiments of an education, but as well by instructing the girls in housekeeping, sewing, cooking, etc., and the beys in agriculture and a general knewledge of business. In making up the school great care was taken in selecting the better class of children, and here the difficulty, not before realized to its full extent conmake an earnest effort to

before realized to its full extent, con fronted the agent. Upon inquiry into the record of the gula, it was ascertained that there was hardly one of 14 years of age and over be that was a common prostitute, and that too with the knowledge, and ap-proval of the parents. Making the oest selections possible, 26 boys and 25 girls were gathered into the the school, and every endeavor was made to humanize their degraded

made to humanize their degraded natures. Coming there dirty, ragged, louny and diseased, they were cleaned, clothed and carefully cared tor, and the treatment they received was such that, hardly without an exception, they profess a desire to remain. Only one difficulty stared the managers of the school in the face, and that was a laxity of morals ou part of the older girls. The sexes were carciully isolated and all comapartments barred in a manner that

gree repulsive to decency. The teachers could not help knowing what was going on, and though they made every exertion to check the

young Indians from beceath the bed occupied by two girls, Mr. Clark, superintendent of the school, made an examination of the person of the

LOOKED LIKE HIS BROTHER.

pad a brother, David, who lived at be home of his parents in Frederick, and those two brothers word an nearly alike in every particular that their most intimate friends had great dif culty in distinguishing them, and many were the prants played by each where their identity was a question to be decided. In course of time these two brothers moved cest, and David reared a family at Indianapolis, while Jesse followed his example in Missouri. A few weeks since David died at his home bort time before the services were

clinging to his arm. He appearance acted like a shock of electricity up-on the assemblage, few of whom had over seen him, and a number of la-dies, being fully convinced that the dead had been miraculously restored to life, acreamed and fainted away, no less than seven of them requiring to be removed. This scene over, the caramonius were concluded.

the ceremonies were concluded. A COLORED CLERICO COMES TO ORIEF.

Dixon, a negro preacher, the pasbrook, a hegro present, the pas-ter of Shiloh Haptist church, in Lewides county, hiss., was recont-ly convicted before the directic count on the charge of having received stolen cotton, roowing it to be sto-len. The Columbus Democrat says:

It seems that during the winter the Rev. Dixon was the centre of a ring here, organized to deal in cotton coming into market at night. He played his hand tolerably well
